----- **RESIDENTIAL GUIDELINES** -----

- Bags:** Each house is allotted (6) six bags per week. Anything over this amount or that is not considered municipal household waste will result in an additional charge based on the amount collected. Grass clippings & leaves excluded.
- Pick-Up Days:** When you sign up for service, you will be given a trash pick-up day. If at any time this day changes, we will notify you by phone or written letter. (Exception: Holidays)
- Extra Pick-Ups:** Advance notice must be given to have larger items hauled. Please phone our office to make arrangements. This includes extra bags above the (6) six bag limit, furniture, carpeting, appliances, mattress/springs, etc. An additional charge may be added.
- Holidays:** When your trash pick-up day falls on a major holiday, your trash will always be picked up the following day.
Example: If your pick-up day is on Tuesday and Christmas falls on Tuesday, your trash will be picked up on Wednesday.
- Pick-Up Time:** Trash must be set out by 7am the day of your scheduled collection day. You should not put it out at the same time the driver was there the previous week, as pick-up time can vary due to weather, traffic and etc. This prevents your trash from being missed due to the fact that we were a little earlier or later than the previous week.
- Billing:** You will be billed quarterly in advance. Payment in full is due by the 15th day of the following month.
- Cancel/Transfer:** Notify the office in advance if you move and wish to cancel or transfer your service. Please call to resume service also.
